YOUR REVIEW

# Review the concept

Use these prompts to shape the next conversation about your outdoor space.

01

## How you will use the space

Consider movement, furniture and how you want the area to feel day to day.

02

## Fit and form

Review the roof form, its relationship to the house and the views you want to keep.

03

## Materials

Review the roofing materials and how they appear across the concept.

Discuss this concept with Sanctuary
