YOUR REVIEW

Review the concept

Use these prompts to shape the next conversation about your outdoor space.

01

How you will use the space

Consider movement, furniture and how you want the area to feel day to day.

02

Fit and form

Review the roof form, its relationship to the house and the views you want to keep.

03

Materials

Review the roofing materials and how they appear across the concept.

Discuss this concept with Sanctuary
